

Dear Sisters and Brothers,

Thank you for your dedication to Glendale Community College. I am writing now to ask for your generous support for Measure GC.

The GCC Board of Trustees placed Measure GC on the November 8, 2016 ballot to authorize issuance of \$325 million in facilities bonds. Passage of Measure GC will help ensure the college continues to provide local students with affordable higher education, job training and workforce preparation, English as Second Language courses, and basic business and success skills to become productive citizens. Passage of Measure GC will provide the funds to: update GCC facilities (many built over 60 years ago); modernize classrooms and instructional technologies; replace deteriorating gas, electrical and sewer lines; improve earthquake safety; and upgrade security systems.

A 55% YES vote is required to win this election and although a recent survey of voters shows that the community supports our effort, a solid campaign to educate the voters is essential. We cannot take anything for granted and we need a robust budget for voter communications as well as a strong grassroots effort to reach the voters in our community. Since Glendale Community College is prohibited from using district resources to advocate for passage of Measure GC we need your financial assistance.

Yes on GC for Glendale Community College 2016 is a grassroots organization of community leaders who have come together to spearhead this effort. **With your donation and endorsement, we can succeed in passing Measure GC to ensure that GCC continues to prepare local students to transfer to four-year universities, get good-paying jobs, and contribute to a vital community.**

Please go to www.yesongc.org to make your contribution and endorsement. If you prefer, you can make your contribution to: **“Yes on GC for Glendale Community College 2016”** and mail your check to: **330 North Brand Blvd, Suite 200, Glendale, CA 91203.**

We appreciate your ongoing support for our students and region.

Sincerely,

Zohara G. Kaye
